Volume Forty-Five

God has created no animal more powerful or more resplendent in nature than the Tiger. A Tiger in its "fearful symmetry" signifies strength, beauty, courage, veracity, and nobility. For many years the students at FHS have exemplified true Tiger Spirit.

The Spirit of the Tiger is revered at Fairfield. This spirit reflects the students attitude toward their school, the fierce pride they take in who they are, their honesty, and their loyalty. It is this Spirit which enables the students at FHS to succeed in every phase of school life, and enables graduates to excel and cope in this highly competitive world. The Seniors of 1970 hope that the halls of FHS will always be alive with true Tiger Spirit.

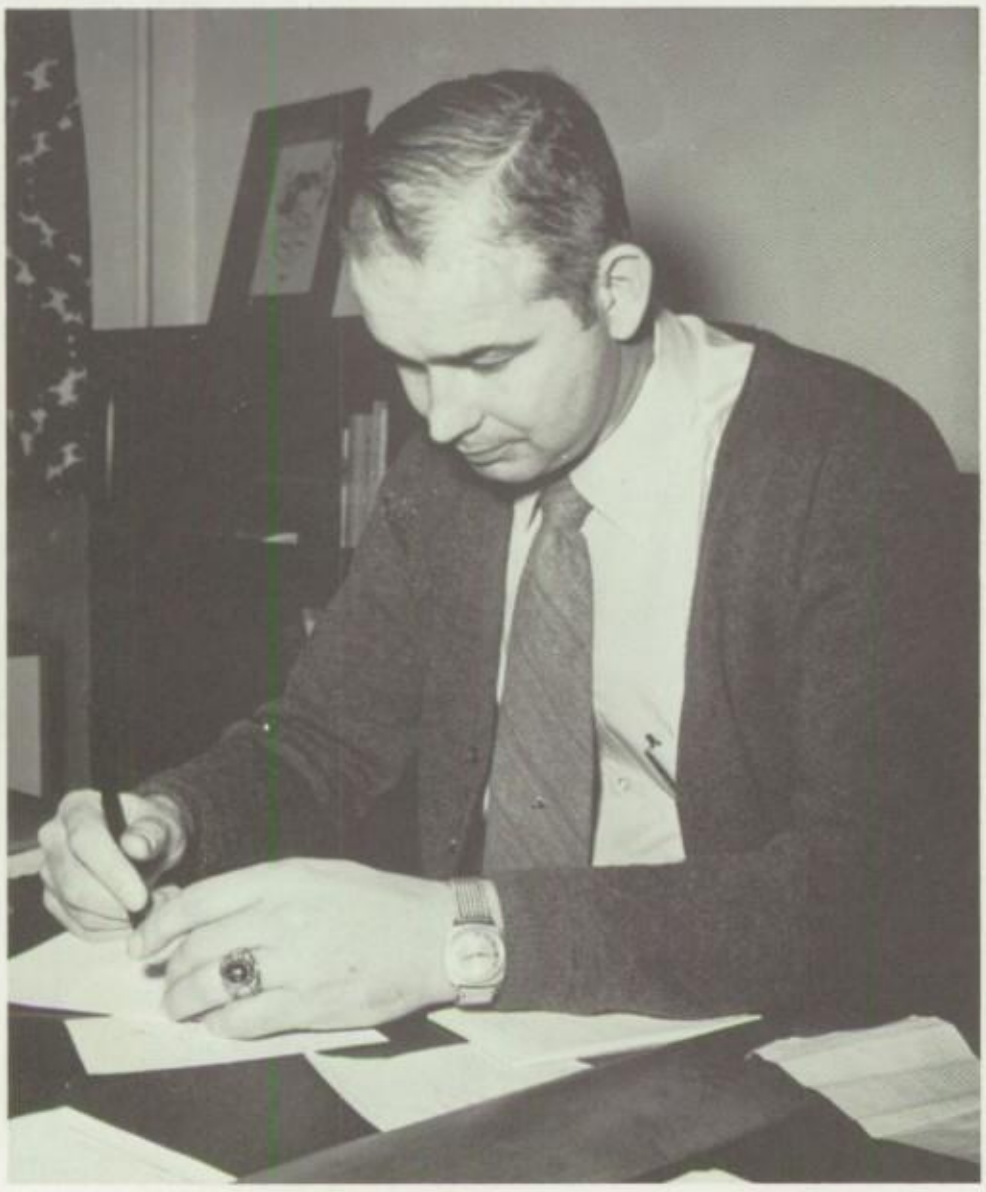
Dedication

To show our deep gratitude for their steadfast faithfulness, the seniors dedicate the 1970 CRUCIBLE to our parents and to our English teacher, Mrs. Pauline Osborn. Through this dedication the seniors acknowledge the self-sacrificing devotion exhibited by these who have so closely aligned their lives with ours. Day in and day out they are proving their ever present influence by helping to strengthen our weaknesses, by delighting in our accomplishments, and by encouraging our desires for a better life.

In Appreciation

During the thirty-six years Mr. G. V. Nunn has served in the Fairfield School System, he has been a teacher, a principal, and the Superintendent of Education since 1946. Throughout his years in the field of education Mr. Nunn has shown his devotion to young people and his interest in higher education by improving the education system in Fairfield and making the system one of the finest in the state. The students and alumni of FHS are truly indebted to this great educator.



At FHS Mr. Don J. Byrd, our principal, is held in high esteem by the students. Through his earnest desire to promote scholarship and extra-curricular activities, Mr. Byrd, supported by an excellent faculty and a superior student body, has brought into existence one of the finest high schools in the state.

Administration

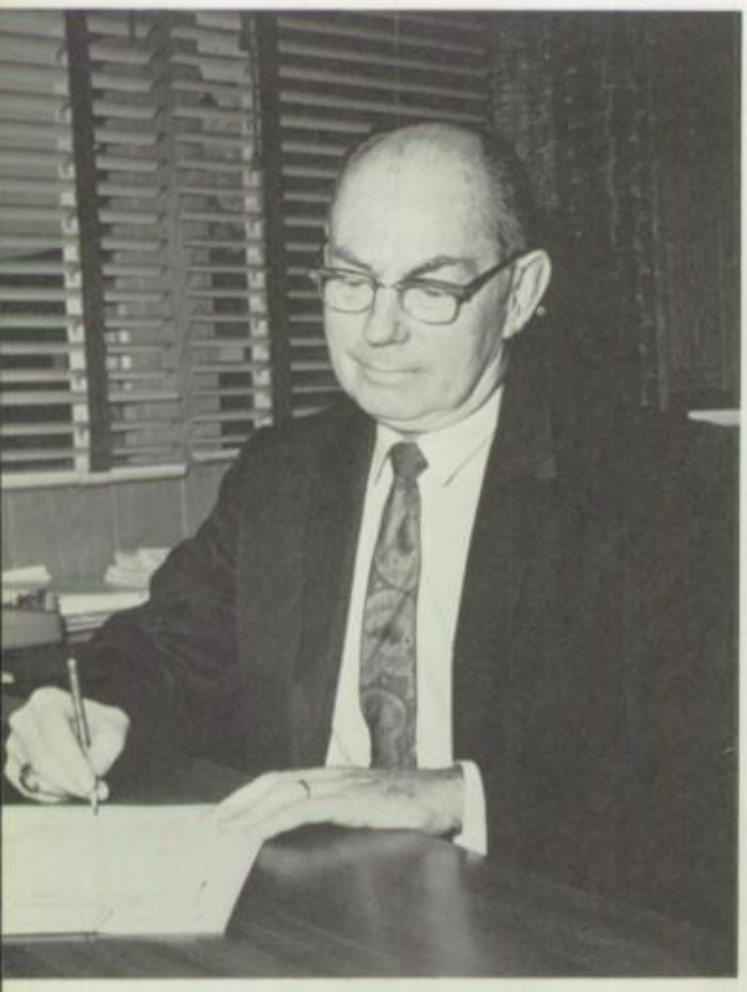
The newly elected Fairfield Board of Education (right) has had a very active year of duty. Members are (left to right): Mr. J. G. Gandy, Mr. T. W. Buckelew, Mr. F. B. Parsons, Mr. G. V. Nunn, and Mrs. Gladys Coleman.

Directing the lunchrooms in the Fairfield City Schools is Mrs. Nadine E. Phillips (far right).

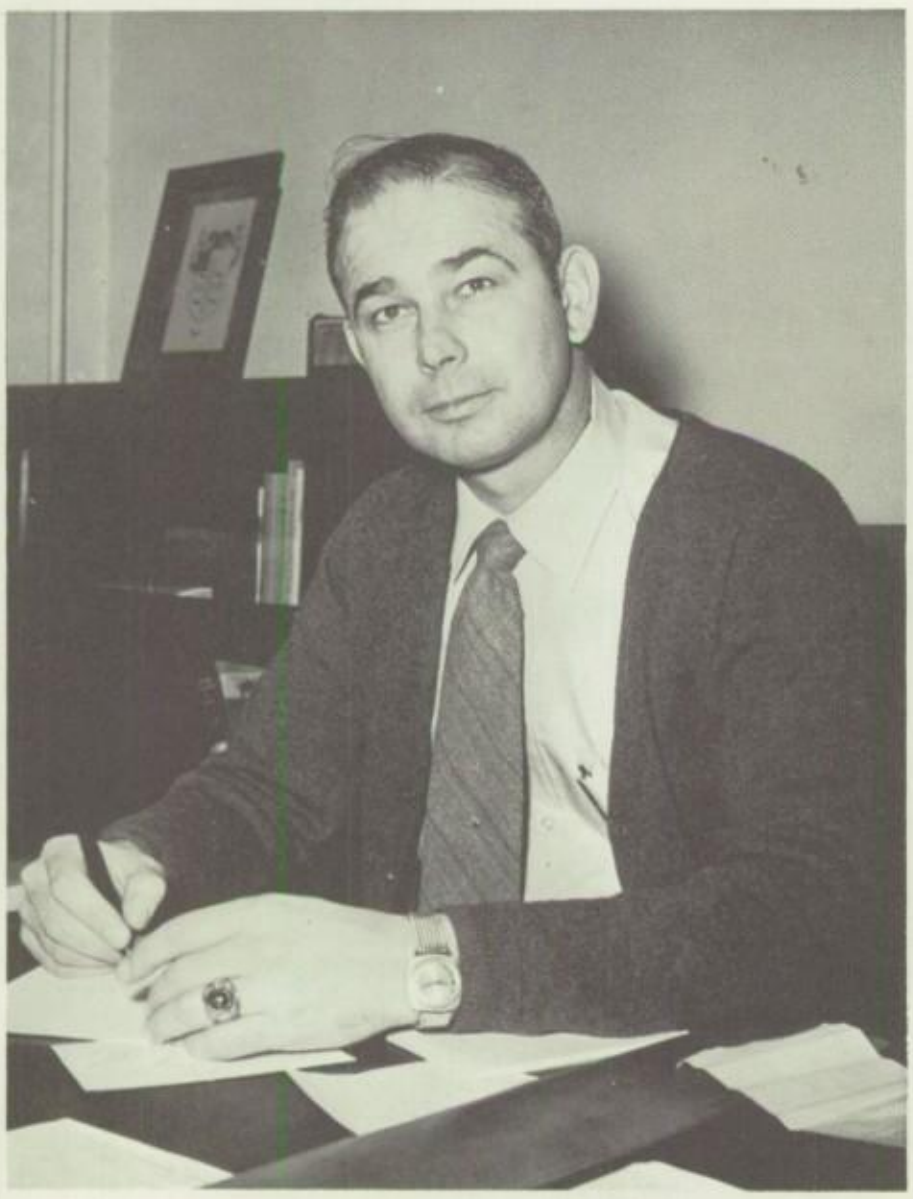
D. E. MacQuarrie (near right) serves as Director of Federal Aid Projects and Research.

Faithfully serving the citizens of Fairfield is Mr. G. V. Nunn (below), Superintendent of the Fairfield City Schools.

Secretaries (bottom right) in the Board of Education office are from left to right: Mrs. Gravlee, Mrs. Jean Horton and Mrs. E. B. Hatcher.



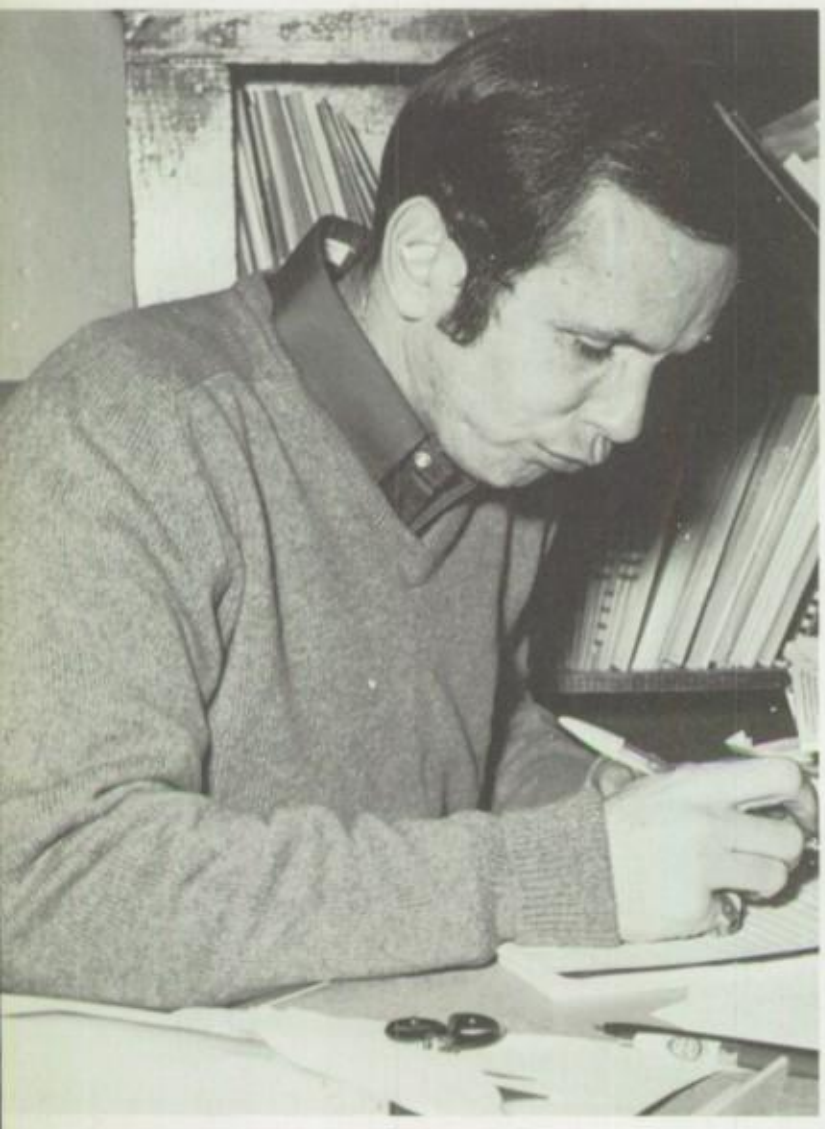
Devoted to his job and his students, Mr. Don J. Byrd (below left) fulfills his office of Principal of Fairfield High School. Working with him as Registrar is Mrs. Martha Selman (below right).



Guidance

The Guidance and Counseling Department provides each student with the personalized help he will need to complete his graduation requirements and guide his talents towards a bright future. The position of guidance counselor is capably filled by Mrs. Maude Nunn (right). Some of her duties include giving ability tests, talking to parents about their students, and talking to students about their parents.

Vocational counseling is supervised by Mr. Scott Carpenter (below) who also teaches classes in career development.



Business Department

The Business Department offers courses for students who plan to become bookkeepers, secretaries, accountants, or business executives. . Typewriting is taught by Miss Nell Lowery (upper left) who is also the sponsor of the CRUCIBLE. Courses in business math, bookkeeping, and in business machines are instructed by Mrs. Carlean McClure.

Distributive Education introduces students to the business world. This course is under the direction of Mr. Melford E. Espey (below).

The Frito Bandito!

English Department

Teachers in the English Department work to give each student a thorough understanding of his own language. Seniors study the writings of Shakespeare and the rules of composition under the leadership of Mrs. Pauline Osborne (upper right).

Journalism, a new addition to the curriculum at F. H. S., is taught by Mrs. Sandra Flowers (p. 27, upper left) along with two classes of freshman and sophomore English.

Freshman English is taught by Mrs. Jeanette Agee (p. 27, upper right).

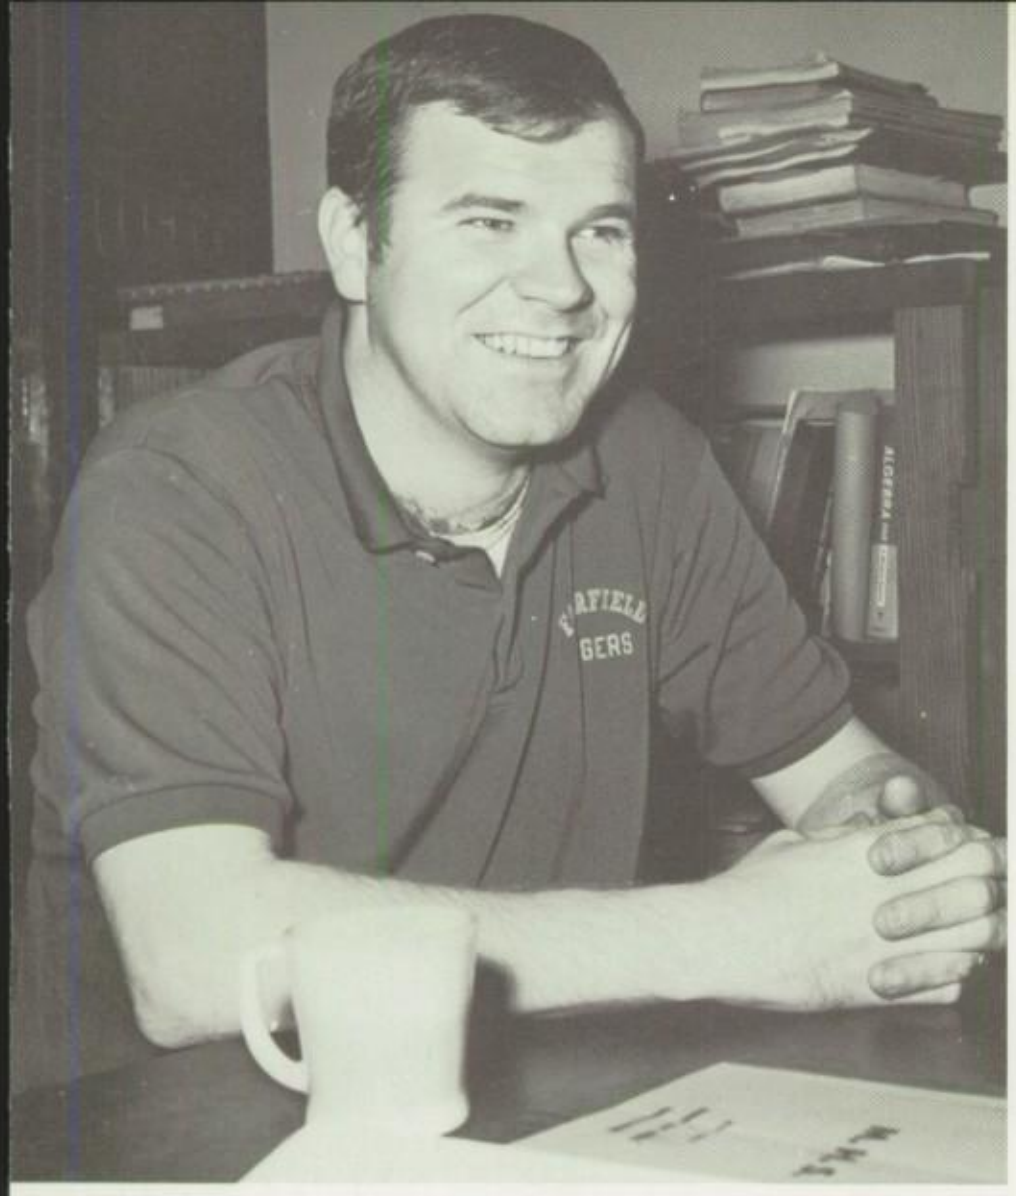
Mrs. Jacqueline Trammel (direct right) teaches two classes of junior English.

Classes in sophomore English are taught by Mrs. Marilyn Lambert (p. 27, lower left).

Junior English is taught by Mrs. Reba Sloan (p. 27, lower right).

Math Department

In today's computer world, a firm background in mathematics will be of great value to students. Courses in Algebra II and Geometry are taught by Mrs. Barbara Garrett (upper right). Algebra I and Geometry, also, are taught by Mrs. Mamie Webber (lower right).

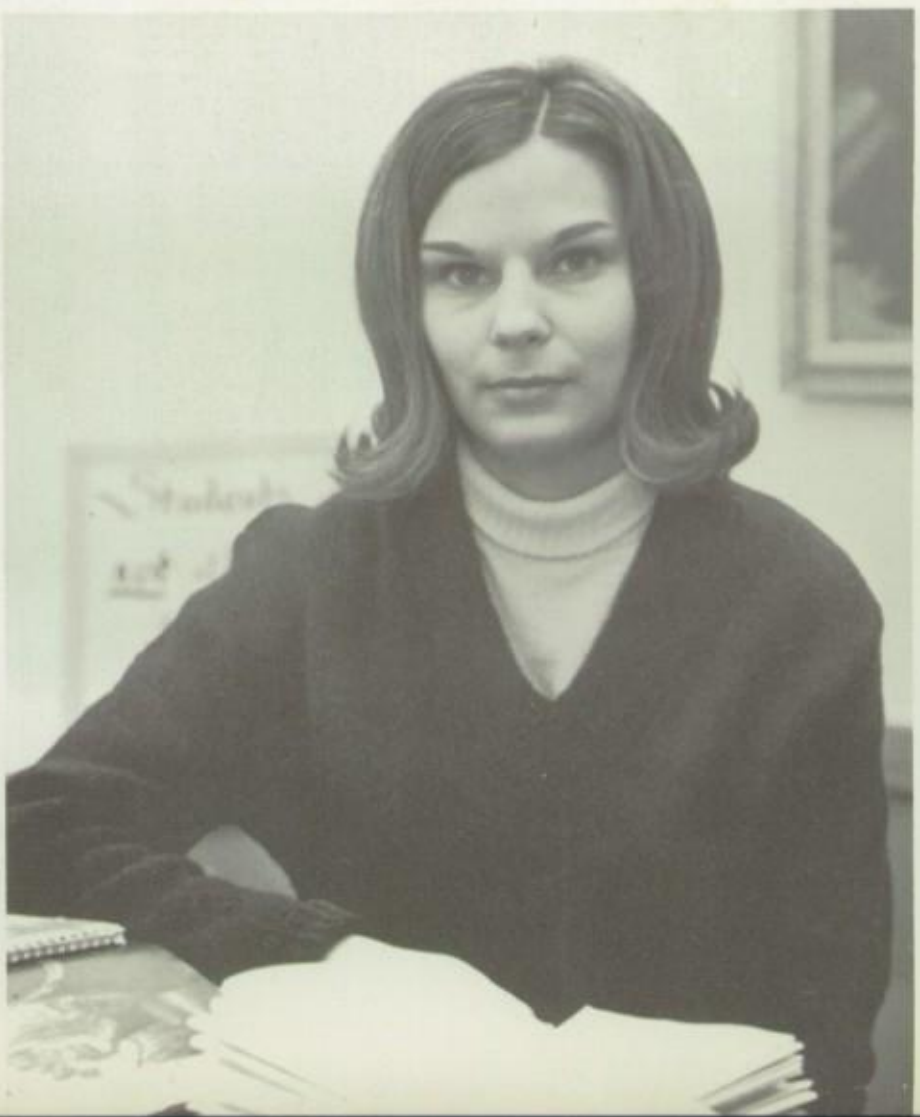


Besides his duties in the Athletic Department, Coach Adam Williamson (left) teaches trigonometry, college algebra, and geometry.

Mrs. Patricia Tolbert (lower) instructs her classes in Algebra I and II and in Geometry.

History Department

Offering courses in Alabama history, civics, world history, government, economics, and American history, the History Department teaches pupils the successes and failures of past generations. Students study economics and government under the direction of Miss Nadine Sexton (top right). Mrs. Marion Bryant (below) instructs classes in world history and civics. Besides working in the Guidance Office, Mrs. Jacqueline Trammel (lower right) teaches world history. Hopefully by learning about the past, today's high school students can make the world of the future a better one in which to live.



American history is taught to juniors by Mrs. Rebecca Espey (upper left).

Mrs. Shirley Clark (lower left) also teaches civics.

Science

Youth of today have inquisitive minds that are constantly probing for answers. The Science Department of F. H. S. strives to answer many of these questions through courses in biology, general science, chemistry, and physics.

General Science is taught by Mrs. Shirley Clark (upper left) to freshmen.

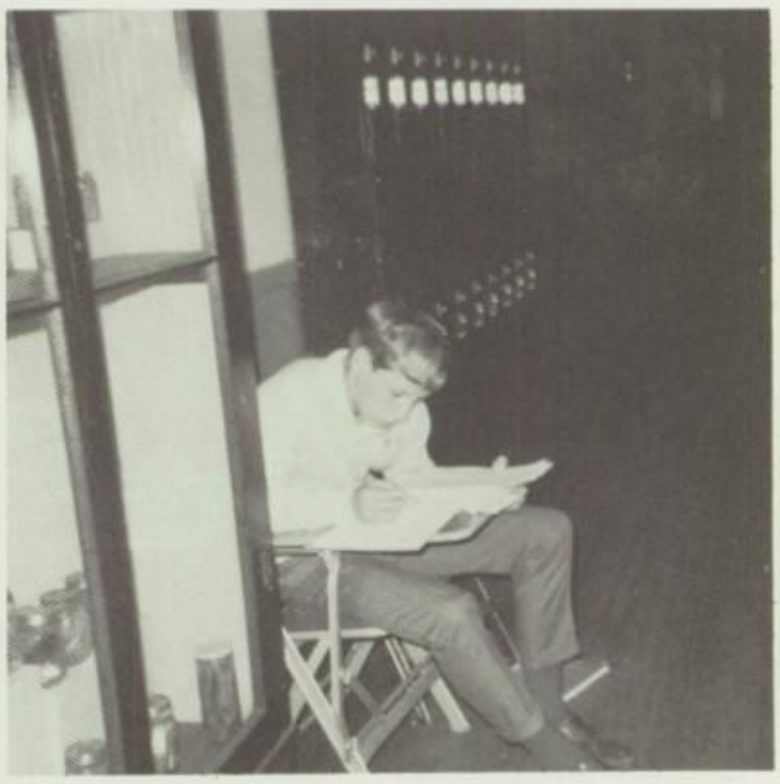
Classes in both biology and in general science are instructed by Mrs. Johnnie Mae Arnold (upper right).

What this country needs is a good 5¢ cup of coffee.

Department

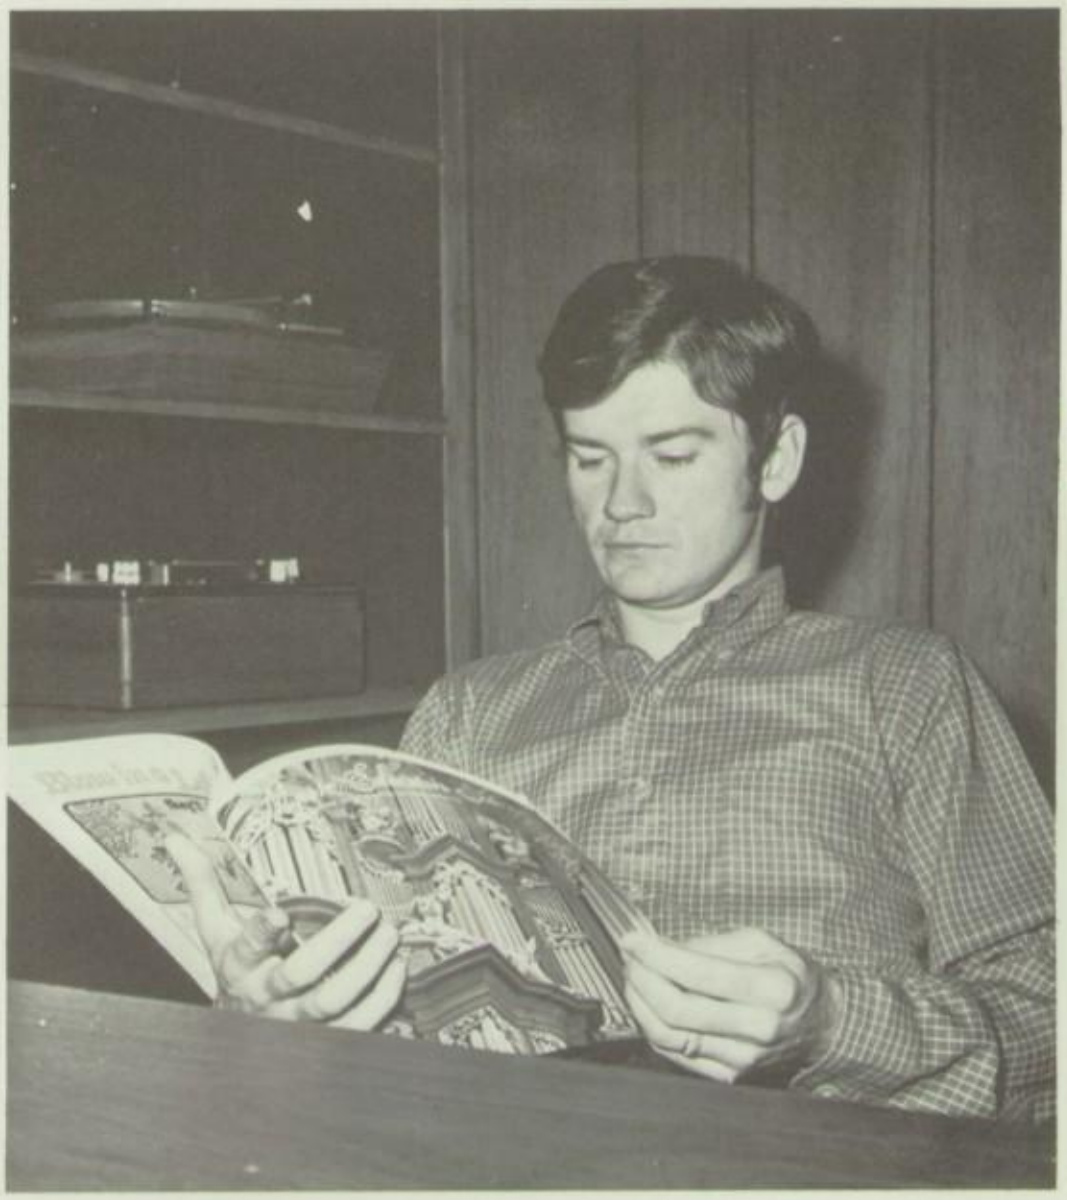
Classes in chemistry and physics are taught by Mr. J. S. Box (left). Students in chemistry learn to experiment with various chemicals. Seniors venture into the world of physics and work with problems of matter and energy.

Biology students under the direction of Mrs. June Underwood (lower left) will always remember their first dissection of a frog.



Music Department

Maintaining Fairfield's tradition of producing bands and choral groups of the highest caliber, Mr. Sid Garwood (lower right) and Mr. Tommy Smith (upper right) have guided their students to make the year '69-70 one in which the music department can always be proud.



Language and Library Departments

Making the culture of foreign countries available to students, Mrs. Jane Shaffer (below) teaches both French and Spanish.

Aided by her assistants, Mrs. Annie Glenn Wood (left) is the librarian in charge of the FHS Library.

Physical Education Department

The purpose of the P. E. Department is to physically prepare today's youth for the future. Girls, taught by Mrs. Jeannie Harwell (top right), make use of the new trampoline; meanwhile the boys under Coach Rudy McGeehee (lower right) work out on the weight machine. Daily exercises, graded tests, and sports such as volleyball, softball, basketball, track and others add up to an active class.

Home Economics Department

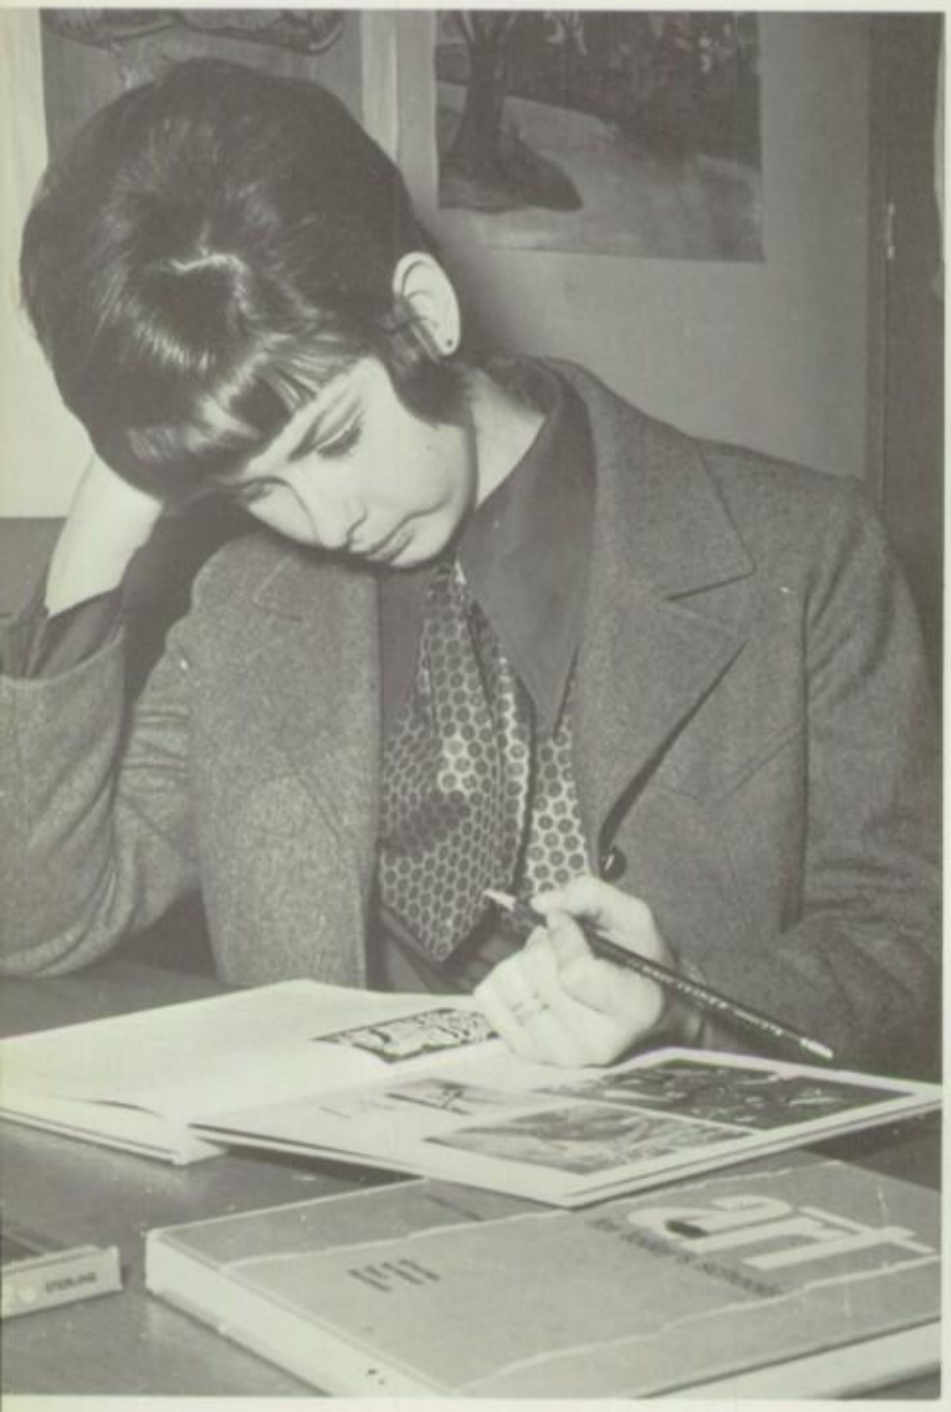
Under the guidance of Mrs. Dorothy Walker (left) teen-age girls prepare to be the homemakers of the future. Classes receive instruction in foods, clothing, money management, and child development. At such affairs as the Junior-Senior Banquet and the band's Thousand Dollar Banquet students are called upon to serve. Also, once a year they present a fashion show of the clothes they have made, for the PTA.

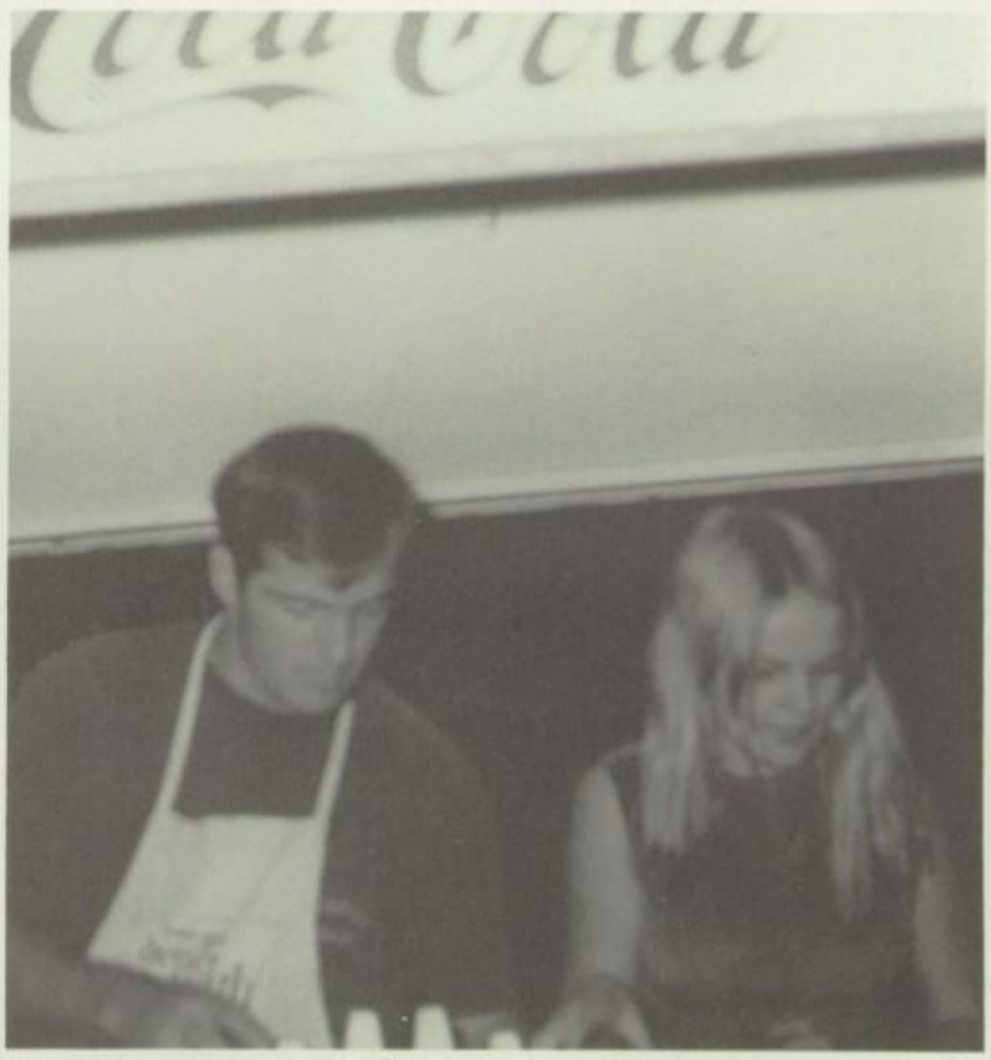
'If I can sew, you can sew.

Speech and

Emphasizing the art of public speaking, Mrs. Deda Nelson (right) teaches both Speech I and II.

Art is a study in color, texture, design, perspective, and lettering. Pencil, water color, pen and ink, oils, and paints are a few of the mediums used in art production. Teaching this subject is Mrs. Amy Garwood (below).





Art Departments

Mechanical drawing includes instruction in drawing house plans and other types of construction. This course is taught by Coach Jim Fuller (left).

Industrial arts, taught by Coach Stan Moss (lower left) prepares boys for jobs in the world of industry.

The Decca Club is an organization whose program of leadership and development is designed specifically for students enrolled in Distributive Education. DE is a program of instruction which teaches marketing, management, and merchandising and promotes understanding and responsibility in our free, competitive enterprise system.

The ICC is made up of the presidents of each of the clubs. They meet to decide policies concerning various rules that pertain to the clubs. This fall the ICC went to Hueytown to get information about Homecoming. In the future they plan to revise the constitutions of each club.

Youth for Christ is an interdenominational club for religious activities. Every Wed. morning at 7:15 (or maybe it is 7:30) sleepy students listen and take part in programs designed to instruct them as teen-age Christians. The way of communication is "teen to teen." The main project this year was the promotion of Billy Graham's film, "Two a Penny." Several members shared in working shifts at the theatre handing out the leaflets. The members of YFC are out to show the students of Fairfield High that living for Christ can be fun.

Reflections of Tiger Spirit

The reflection of spirit and the activities of a school compose the memories that will be treasured in the years to come. The bonds of friendship, the exhilarations of excitement, and even the excruciating disappointments form the complete circle of student life. Loyalty, pride, and continuous effort are but a few of the many characteristics found in TRUE TIGER SPIRIT.

Homecoming—1969

A Week of Tradition

Homecoming 1969 was a time of many plans, turmoil, confusion, and excitement. The climax of many preparations came on October 17, as floats were completed; cars were decorated; and students were filled with spirit. To the freshman this was his first chance to actively participate in the homecoming activities; to the senior it was his last. Homecoming night reached its peak when Sharon Turner was crowned Miss Homecoming 1969, during halftime ceremonies. Alternates for the court were Miss Fran Leon and Miss Sharon Williams. The homecoming dance, sponsored by the student council, capped a week that will long be remembered.

Spirit of Christmas

After four and a half months of hard work, students at Fairfield looked forward with great anticipation to the approaching Christmas Holidays. Assemblies, Christmas music, presents, and even the real Santa Claus all added to the gaiety of the week.

Mock Trial

Senior Government students put into practice what they have learned when they dramatize an actual court proceeding. It is here that they learn the basic fundamentals of our judicial system and the responsibility that is placed upon the individual. These "trials" are rewarding not only for the participant but also for the "jury."

The Never Ending Circle

As the school year finally comes to its conclusion, most students are elated at the idea of summer vacation. To the senior it is his last chance to walk the halls of Fairfield. To the underclassman it is but a pause in the continuance of his education.

The circle of student life does not end in May but continues on throughout the summer to form a never ending circle which exemplifies Student Life, itself.

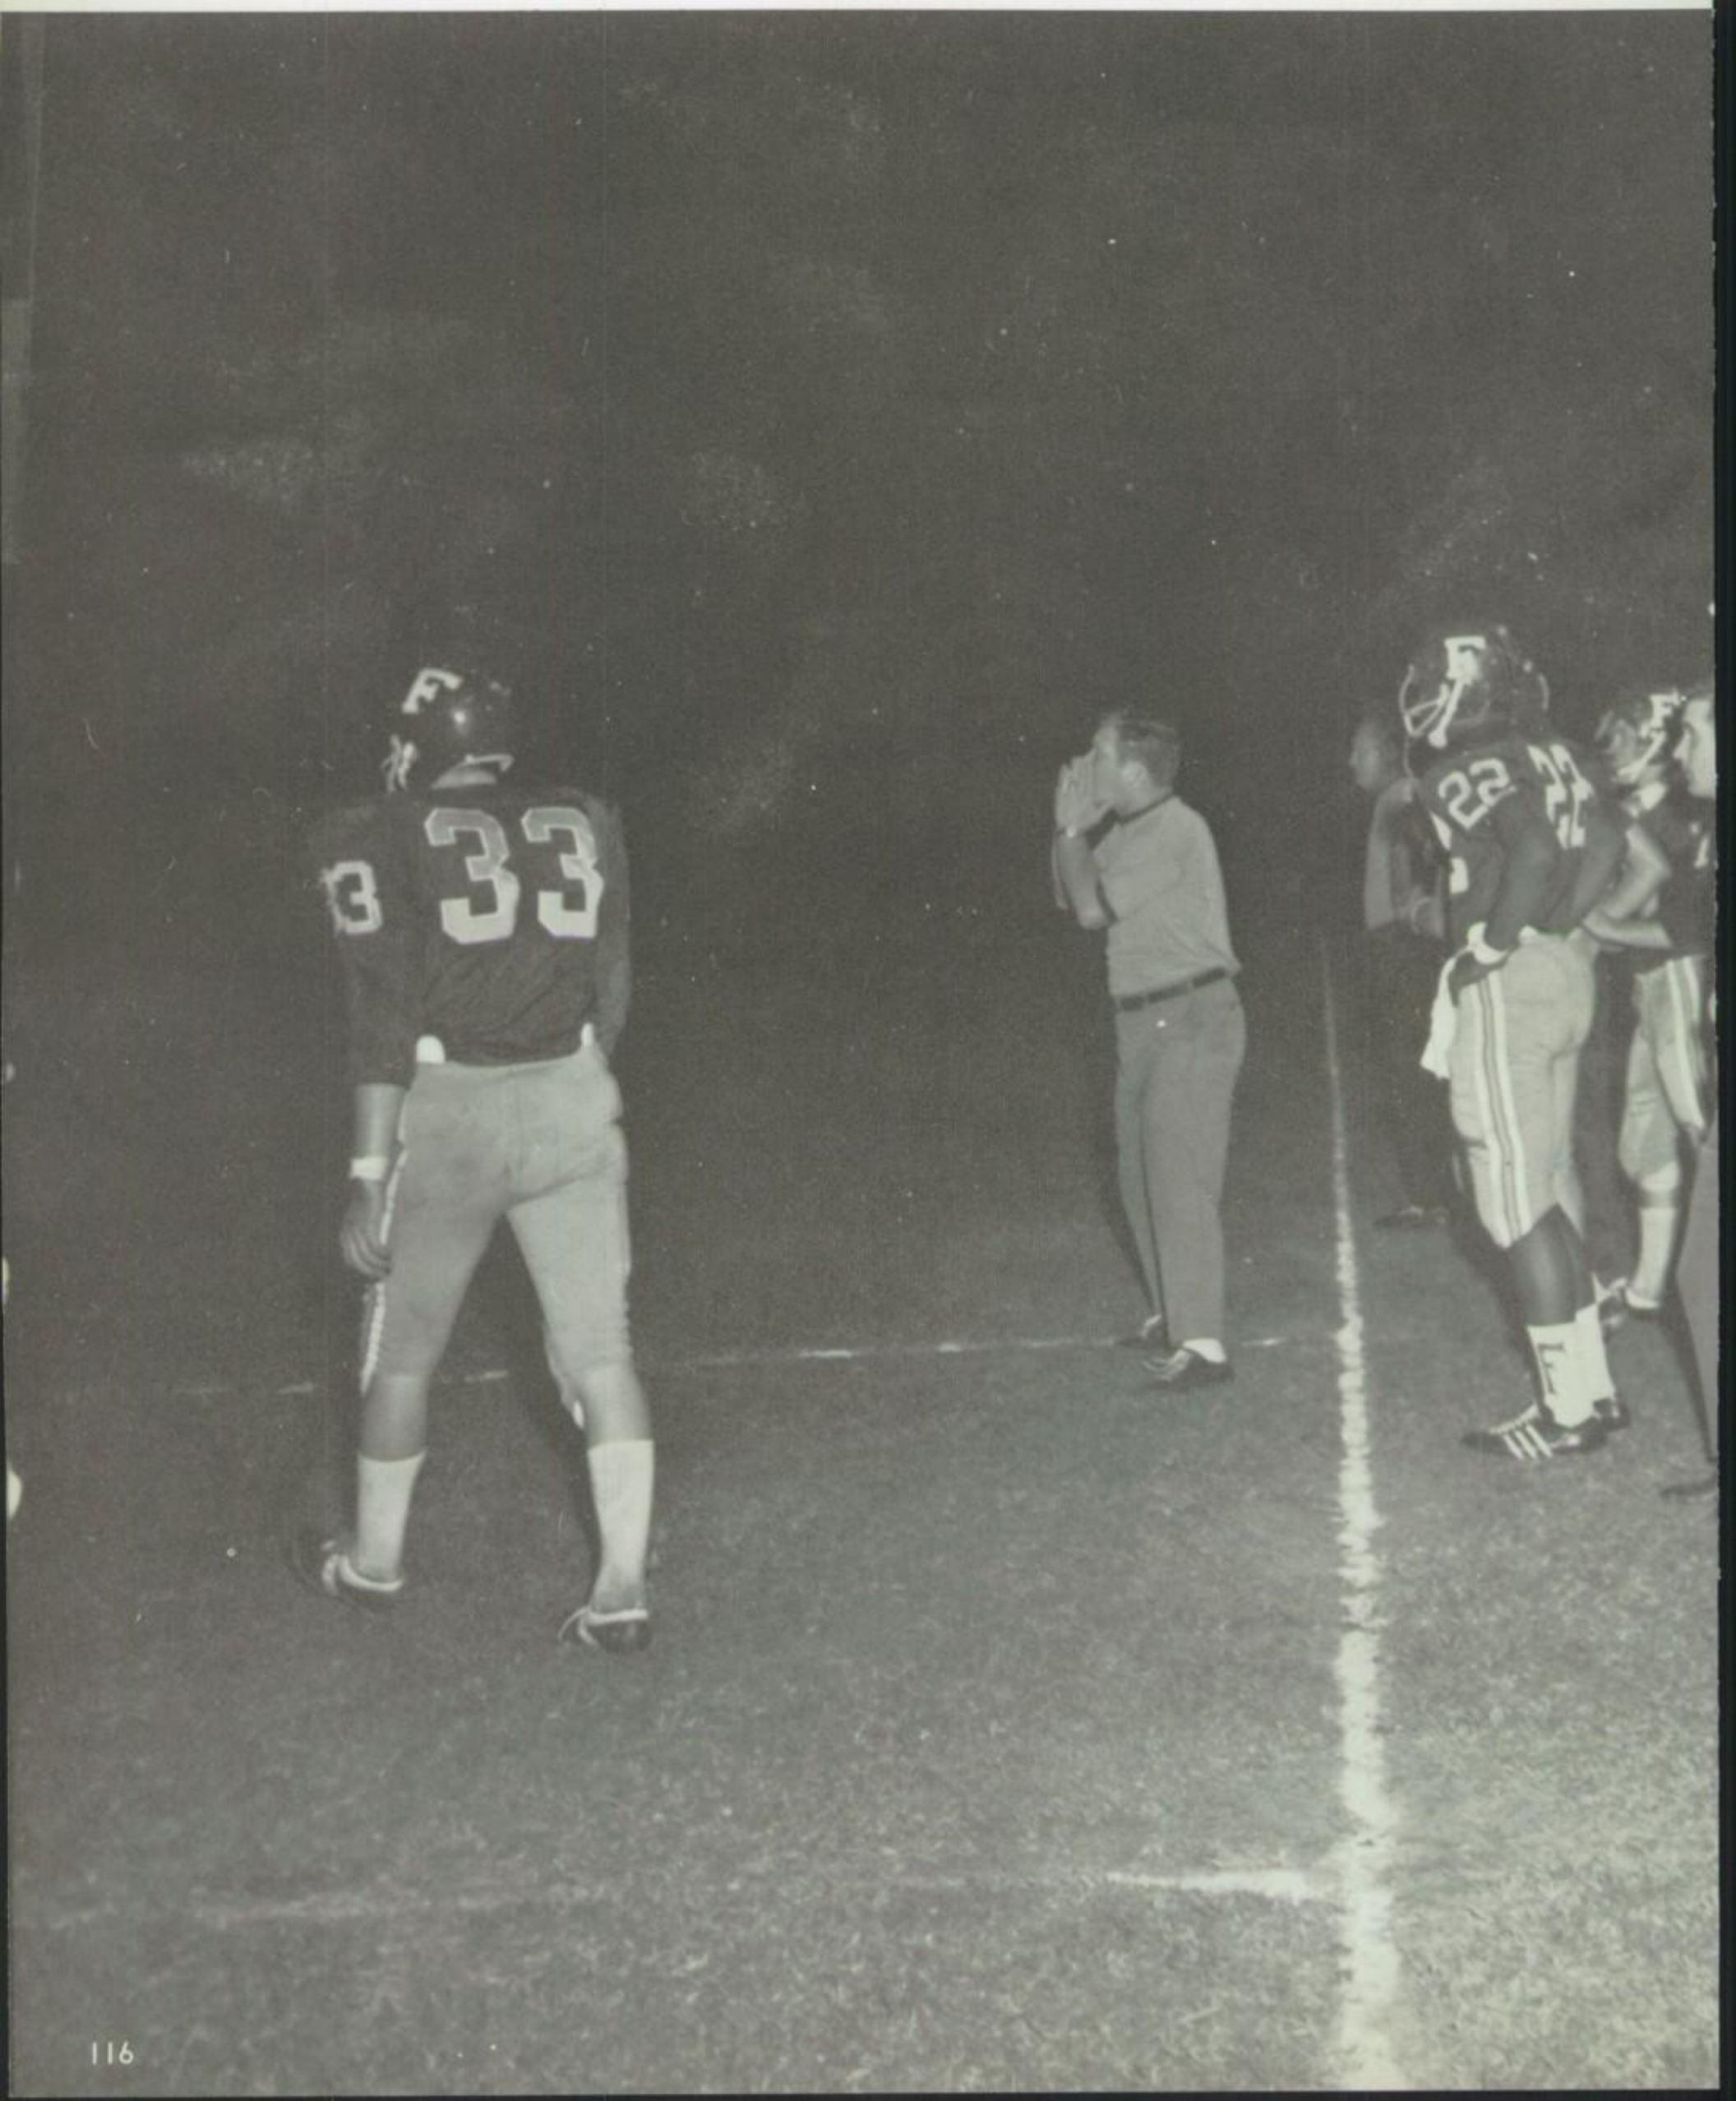
Coach Jim Fuller . . . A Win-



ning Tradition Continues!

September 1969 came sooner than expected to many at Fairfield High School; with it came a new year, new ideas, and new faces. But moreover, 1969 brought back Coach Jim Fuller in his first full year as Tiger head coach. It is true Coach Fuller was young, but the leadership and knowledge he possessed was responsible for retaining a very old part of Fairfield Athletics. Of course, we are speaking of Fairfield's winning tradition. It was evident from the very beginning that Coach Fuller's leadership was to spell out Athletic Victory in the year to come. With the help of his assistants, Coaches McGehee, Moss and Williamson, and in his own special way, Fuller instilled the ideals of spirit, sportsmanship, and teamwork that was such a vital part of the successful 1969 year. It is for these reasons that all are proud of the 1969-70 athletic program, the boys who participated in it, and even more of our coach, Jim Fuller.

Fairfield Tigers Accept

Pride and spirit have often been said to be the keys to success in any walk of life. The Fairfield Tigers made it plain to all early in the 1969 season that these two qualities could be found among them in great abundance. It was through this spirit and pride, complemented by dedicated coaching and teamwork, that the Tigers ran up an impressive 7-2 season and a post-season invitation to the Camellia Bowl. The spirit reflected by each member of the '69 Tiger' squad boosted and inspired the entire Fairfield student body until a new spirit of pride at F. H. S. was born. Through this pride and much devoted work the Tigers turned their goals into the realities of a brilliant season. The victories of the 1969 Tiger football season hold countless memories for all who were connected with them; but moreover, it exemplified the pride shown by a great student body and a great team.

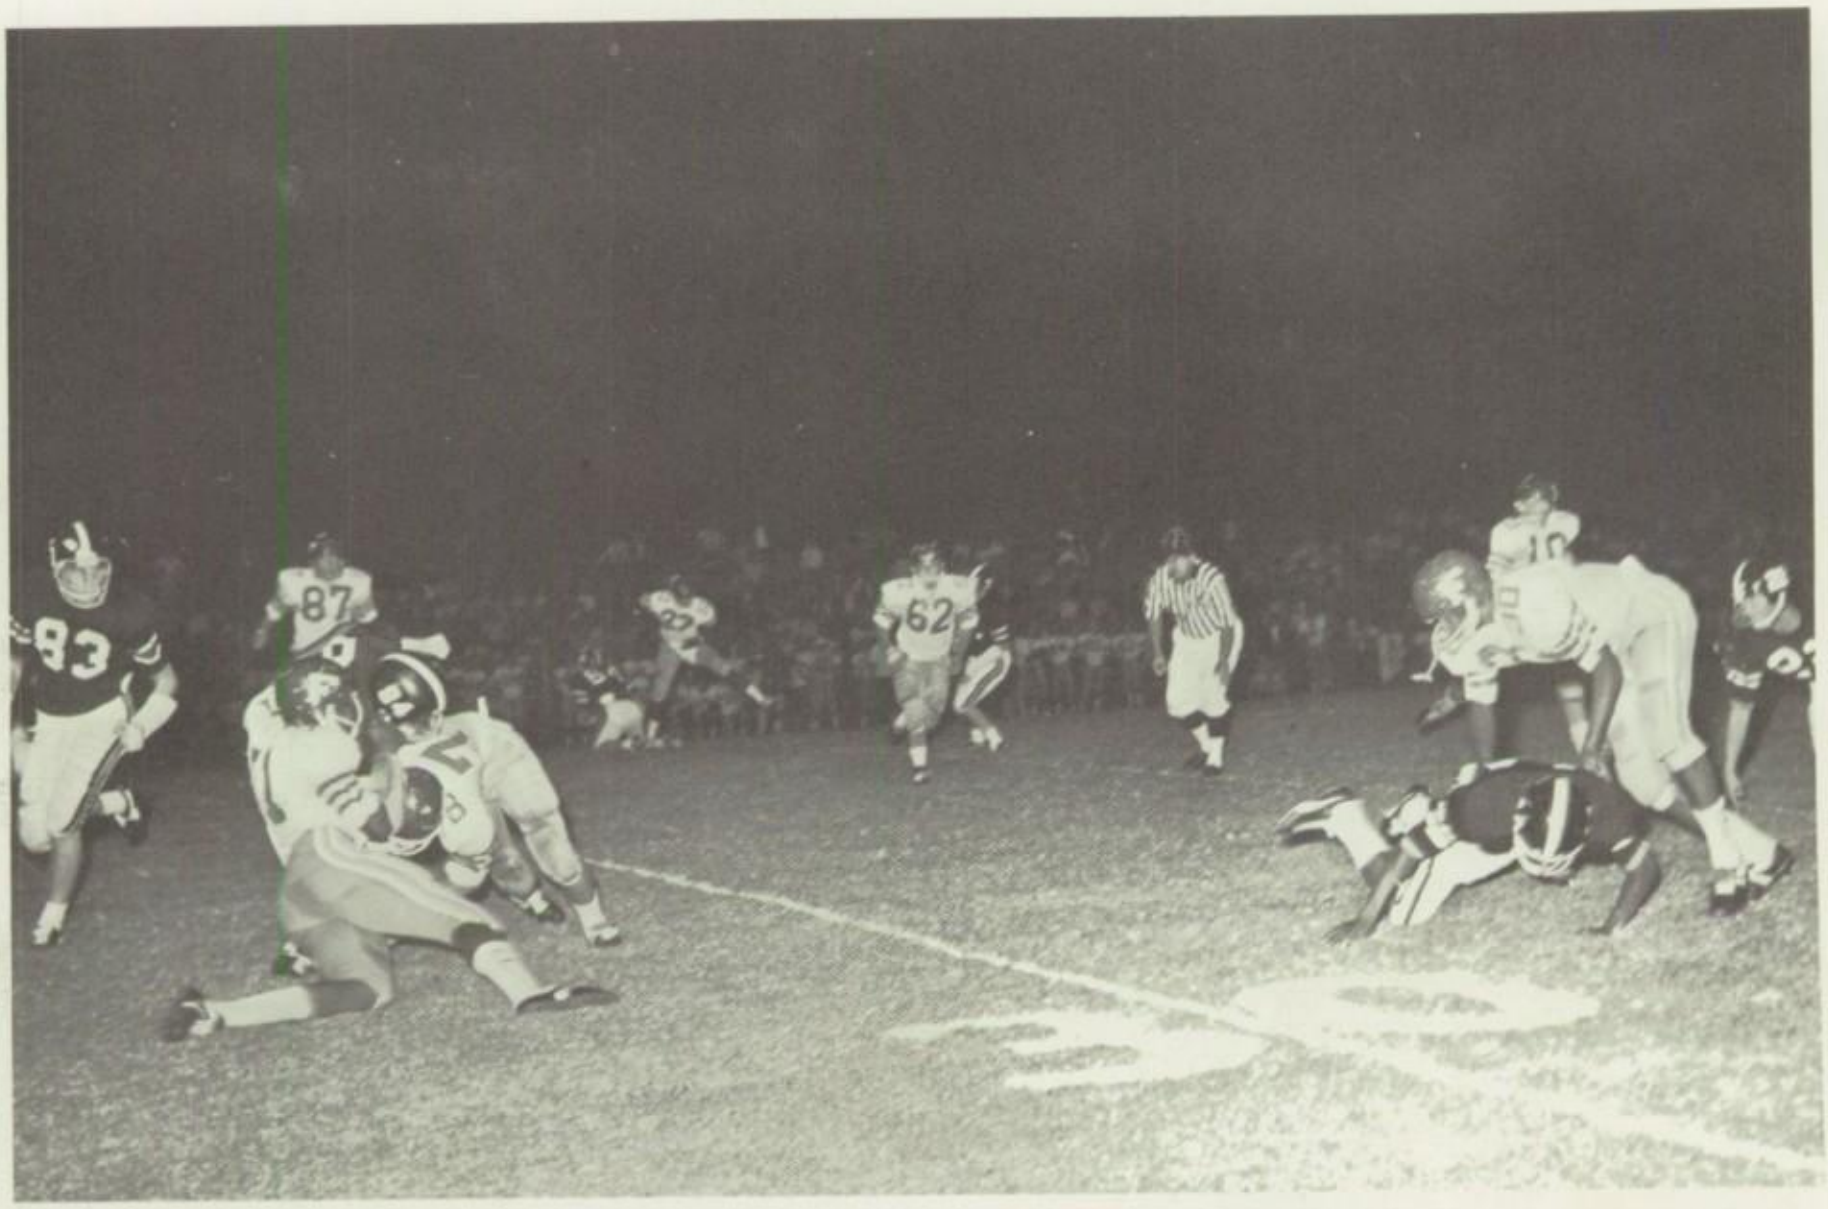
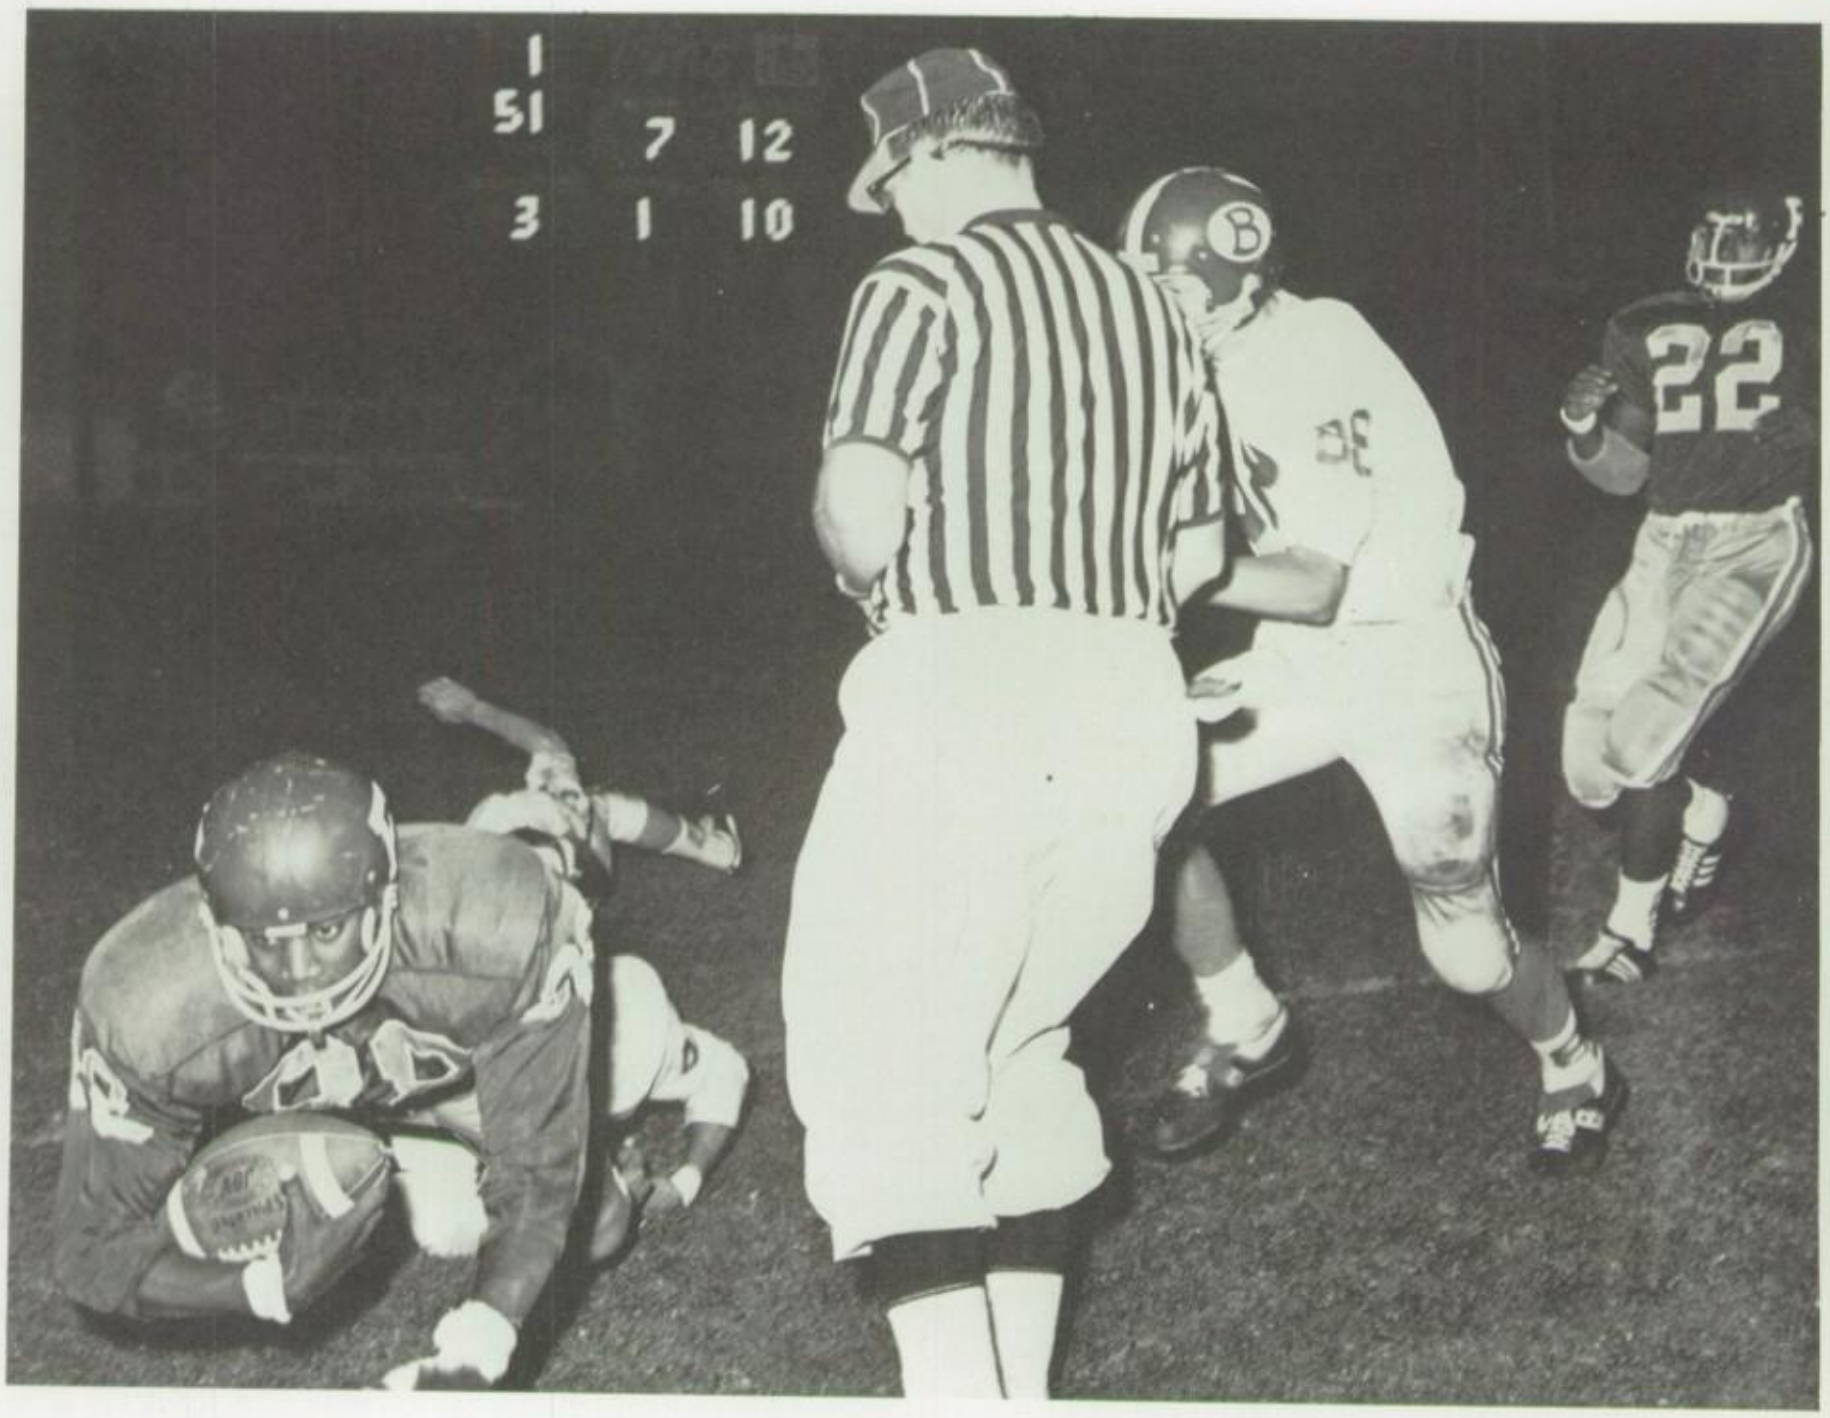
First Bowl Bid!

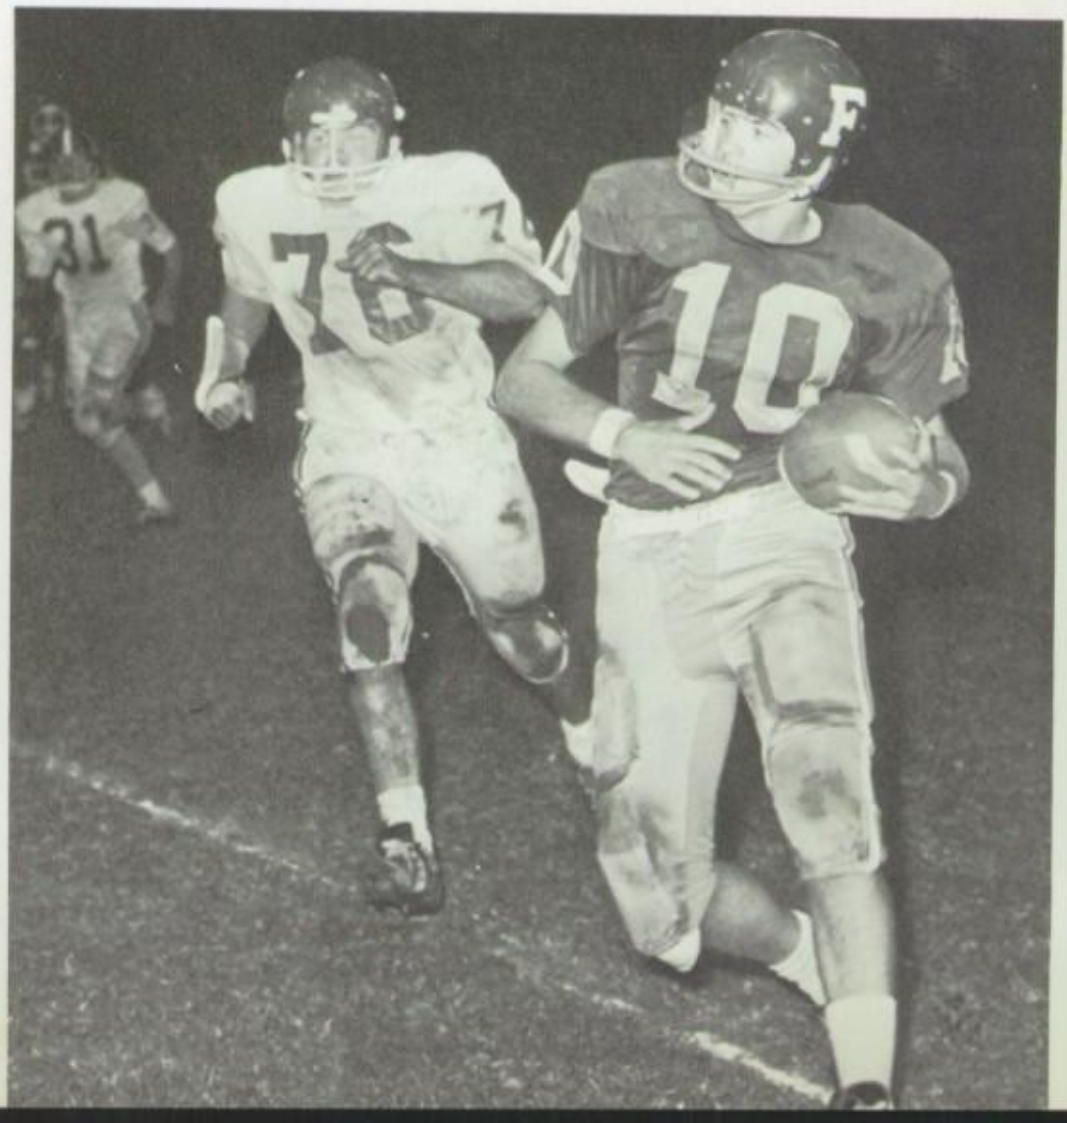


The Fairfield Tigers opened their 1969 season with an impressive "two night" win over the Pell City Panthers. Although the game was called after one quarter because of rain and light failure, the Tigers returned the following evening to completely manhandle the Pell City squad. Fairfield scores came on runs by quarterbacks David White and Gene Lunceford. These fine performances were complemented by a third quarter David Freeman field goal, and the brilliant defensive play of guard, Mike Dowling. All together it spelled out an 18-0 victory for the Tigers and the beginning of a great season.

Tigers Take First Four.

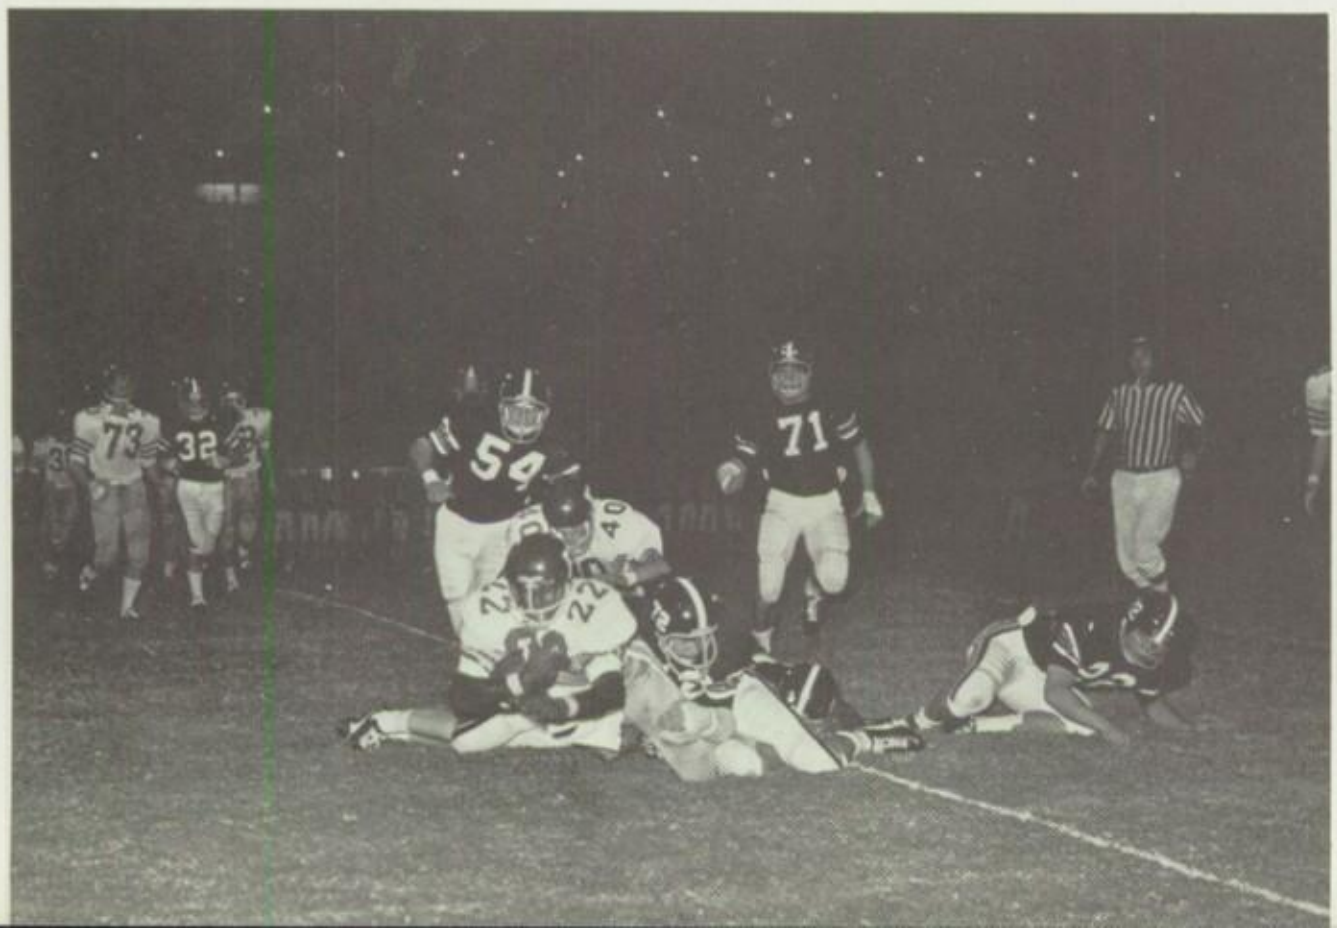


After polishing off Pell City the Tigers moved back to Fairfield for their first home game of the season against John Carroll. The Tigers cranked up a scoring machine early, to leave the visiting Carroll team on the bad end of a 34-0 score. Reginald Nall scored twice in the Tiger effort and Virgil Pearson pulled down two other TD passes. Kicker David Freeman also made his presence felt as he booted two field goals. The F. H. S. winning spirit also prevailed in the rain against McAdory a week later. The Tigers used a second quarter touchdown and a two-point conversion by Gene Lunceford to down the Jackets by the score of 8-0.



F.H.S. Post Homecoming Victory.

Fairfield next took on the Jones Valley Brownies at Fair Park. The Tigers once again used their potent offensive battery along with a band of hungry defensive players to defeat the Brownies convincingly 25-7. Phil Chavers, David White and Don Thrasher all tallied six-pointers against Valley, and once again kicker Freeman put through two field goals. In addition the Tigers had brilliant defensive efforts put in by Belcher, Dowling and Hewlett in holding the Valley team to only seven points. Following the defeat of Jones Valley, the Tigers moved to Hueytown for the Gophers Homecoming game. It was here the Tigers met with their first defeat by a disappointing score 7-3.



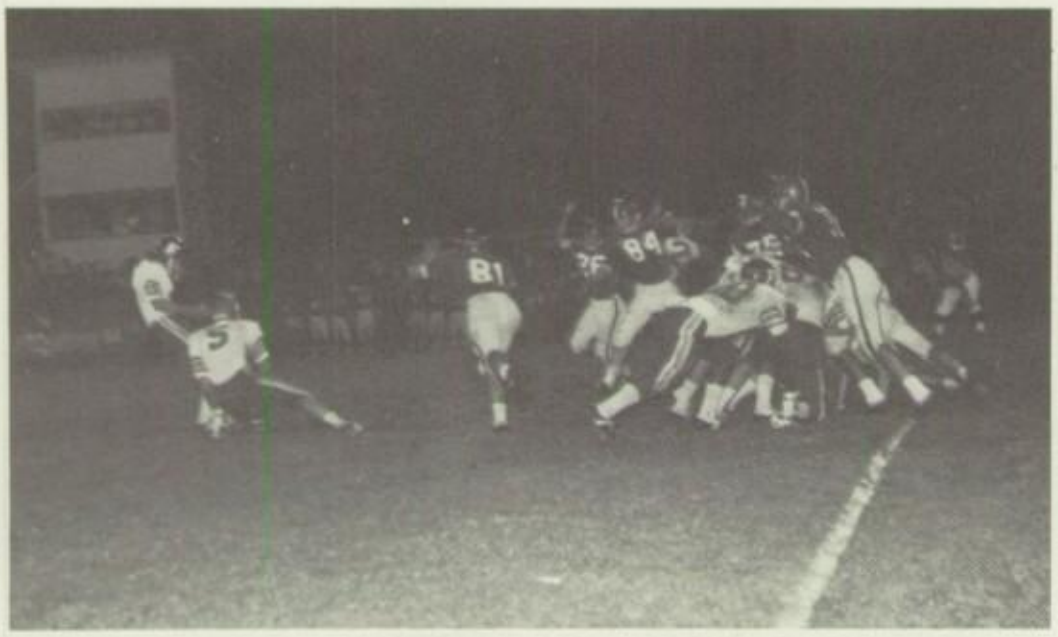
After their first loss to an inspired Hueytown squad the Tigers returned home to entertain Jefferson Davis. The Tigers displayed much poise against the strong and highly ranked Montgomery team, but once again met with defeat 18-10. In the loss the Tigers once again displayed their offensive potential and tremendous spirit.

Fairfield Seniors Provide Spirit and Leadership

The Tigers next began preparations for their Homecoming encounter with a strong Bessemer team. Led by the scoring of end, Richard Brannon, and quarterback, David White, the Tigers edged out the bigger Purple Tigers by a score of 15-12.

In their Homecoming victory Fairfield also used a host of outstanding defensive players to turn the Bessemer tide. Linebackers, Belcher and Latham, and guard, Mike Dowling, time and again threw the Bessemer backs before they could pile up damaging yardage. Mason and Brannon added defensive help at the line and in the secondary. In the end it was this type defensive play that pulled out the Tigers homecoming victory.

Tigers Settle Score With Saks!



Coming off an impressive Homecoming win over Bessemer, the Tigers set their sights on the Tarrant Wildcats. Fairfield stunned the Wildcats early with their offensive power and they never recovered. All together it spelled out a 57-0 win, the biggest Tiger win in the last eight years. White, Mason, Chavers, Freeman, Collier, Baughn and Rogers all scored for Fairfield and Wayne Wade recovered the two Tarrant fumbles to lead the Tiger defensive effort.

In their season finale Fairfield took on an old foe, Saks High of Anniston. David White tallied two touchdowns and Ronald Nall another to lead the Tigers to a welcomed 20-6 victory. The Fairfield team next traveled to Greenville, Ala. to meet Lowndes Academy in the Camellia Bowl. It was here the tough Tiger team met their match and were defeated 36-26.

Tigers Display Great Potential

1970 TIGER BASKETBALL TEAM: Carter, Dunn, Hubbard, White, Baughn, Easley, Ellis, Wilson, Chavers, Lunceford. MANAGER: Mike Aldredge.

COACH TOMMY McGEHEE

The 1969-70 basketball record did not do the Tiger Team justice. Five of Fairfield's losses were within four points. The season this year contained several amazing hi-lights which would stand out in the mind of any basketball enthusiast. The Tiger's big chance to prove themselves came with our first home game against Oak Grove. Led to victory by the superb shooting of Sammy Dunn, Phil Chavers, Gene Lunceford and by "board rulers," Dwight Ellis and Stanley Wilson, the Tigers won this most important game. Then Bessemer, always a formidable rival, downed the Tigers in a rough and tuff game which was decided at the end of five overtimes.

Good things are in the forecast for Tiger basketball next year with the experience of Gene Lunceford, Phil Chavers, Stanley Wilson, David Easley, and Bruce Baughn. Several good prospects can also be found among the ranks of rising B-teamers to be included in the Varsity.

Rookies Have Fighting Spirit!

Preceding each varsity game, the B-team of Fairfield always came up with a fighting spirit, leaving their mark on their opponents by winning overwhelming victories, and putting the enthusiastic fans in the mood for the varsity game to follow. The team, under the leadership of Coach McFarland, showed good team spirit and looked to be a good foundation for next year's varsity team.

440-Relay Team

The 1969 season has proved beyond a doubt that the Fairfield Track Team will be among the top contenders in the 3A District and State Meets of 1970. The finals at 3A State Track Competition last year, abound with F. H. S. entries. Among these were 3A State Champion, Virgil Pearson, in the 220 and 100-yard dashes, David Rogers in the 100-yard dash, triple jump, and state finalist in the 220-yard dash, David Lucia in the 120 high-hurdles, Richard Greene competed in the mile run, and Gene Lunceford in the pole vault. Under the leadership of Coach Adam Williamson, the Tiger Track Team competed in a 3A Indoor State Meet at the colosseum in Montgomery and a number of spring invitationals. This year the experienced lettermen are expected to display another hot finish on the cinders.

Fairfield Again Builds

One of Fairfield High's most successful and popular sports is that of wrestling. For three successive years the Tigers have brought back to Fairfield the much coveted 3A State Title. The 1970 grapplers maintained this championship tradition during '69-'70 season as they posted impressive wins over Mt. Brook, Berry, and Shades Valley. Led by '68 State Champs Gene Honeycutt and Doug Stewart, the Tigers entered this year's state meet as heavy favorites once again. Congratulations to Coach Jim Fuller and his fine team for all their accomplishments during the '70 season.

KNEELING: J. Ling, R. Thomas, D. Stewart, L. Malone, D. Johnson, B. Reese, L. Latham, M. Stiff, C. Epperson, D. Baughn, R. Alexander, G. Honeycutt.

Baseball Team Looks

In years past Fairfield High School has always prided itself in having a fine baseball team. The year 1970 proves to be no exception as the Tigers retain a host of experienced players, among them East-West Stars Sammy Dunn and Phil Butler. Under the able leadership of Coach Stan Moss, Fairfield has new hopes of capturing the coveted County Championship in 1970. With such talent and coaching as the Tiger team possesses, Fairfield can look forward to another great baseball team, and another great year.

F.H.S. Adds Tennis Team.

In any athletic program, new sports add new life and new incentive to win. This became true at Fairfield High School in 1970, as a tennis team was organized under the direction of Coach Scot Carpenter. Through the leadership and ability of Coach Carpenter, the Tiger tennis team was well on its way to success early in the 1969 school year. The Tigers are set to duel with other high schools in the area, both three A and four A in classification, and with the caliber of young men present on the team, are expected to do extremely well. Much continued success is wished Mr. Carpenter and his boys, both this season and in the future.

TENNIS TEAM: Coach Carpenter, Steve Picket, Richard Thomas, Ronnie Evans, Steve Northcutt, Bill Brown, Ted Kostopulos.

Betty Crocker Homemaker Award

Every senior girl in home economics takes a test during the year to qualify for the Betty Crocker Homemaker Award. This test includes questions not only on homemaking but questions concerning every phase of life. Vicky Wood illustrated her homemaking instincts by surpassing all the other senior home ec girls and winning this award.

Vicky Wood

Rosemary Tortorici

Alabama Conference on Citizenship

A day in Montgomery can be fun, but for Rosemary Tortorici and Sharon Turner it was a day of serious business because they were there for a purpose. In their discussion groups, youth from all over the state reasoned and argued about problems that face our state and nation. After lunch Gov. Brewer gave a talk to the students on the responsibilities of citizenship.

Karen Stella, Tommy Carpenter

Optimist Club Semi-Finalist

Fifty semi-finalists were chosen by the Optimist Club to compete for Optimist Club scholarships that are based on grade averages and extra-curricular activities. As semi-finalists Karen Stella and Tommy Carpenter were feted at The Club and the Parliment House and visited the government offices in Birmingham.

March of Dimes Chairmen

At FHS the annual March of Dimes campaign is a time when the students show their concern for someone outside their family, friends, and school. The whole student body saw the film "A Letter From Jimmy Lee" and was visited by Marty MimMack, the MOD poster boy. This year roadblocks were held, collections were made at shopping centers, and each class donated money to elect their representative as MOD queen.

Susan Donaldson, Richard Brannon

Merit Scholarship Semi-Finalist

During the fall each senior takes the Merit Scholarship test. A high score on this test can qualify a student for a substantial scholarship. Receiving the honor of semi-finalist is Susan Beall proving that study and hard work does pay off.

Susan Beall

Linda Holmes

DAR Good Citizenship Girl

In honoring the young women of today, the DAR sponsors the DAR Good Citizenship Girl program. This award was received by Linda Holmes. In qualifying for this bestowment, as the name of the award implies, good citizenship must be foremost; but along with citizenship comes allegiance to the nation, responsibility to all people, and pride in being an American.

Kenneth Harris, Tommy Carpenter

Boys' State

To learn the basic structure of government through participation, Boys' State was instituted by the American Legion. Representing FHS was Kenneth Harris and Tommy Carpenter. At Boys' State, it is possible that some of the future politicians received their first inkling about what government really involves.

The Birmingham News has initiated a fine program in which students from various high schools appear on television and express their ideas about recent news events and how these events affect ordinary people. Fairfield is fortunate in having three students - Kia, Jerry, and Gene - to appear on "Know Your News."

Birmingham News Citizenship Tour

In touring Jamestown and Washington, D. C., the history that has happened and that is still in the making creates a momentous impression on the visitor. This became the reaction of the students who journeyed to these places on the Birmingham News sponsored tour. Nancy Powell was one of these students who traveled during A. E. A. last spring to see her country's past and present.

Karen Stella

Girls' State

Sponsored by the American Legion Auxiliary, Girls' State is a program that allows the girls to operate a "mini" state government in order to gain a first-hand knowledge of the government at work.

High Salesmen

To provide the financing needed to publish the CRUCIBLE, the FHS seniors sell magazine subscriptions. As always there are some determined and outstanding seniors who demonstrate their loyalty to FHS by selling tremendously over the designated goal. These seniors indeed deserve recognition for their ability as salesmen.
